of Events**

The Sky's The Limit

Every weekend in September at the 22nd annual Festival of Children,® learn how to get involved with more than 70 children's charities while you enjoy performances and activities.

This September we celebrate National Child Awareness Month (NCAM) for the 16th year.

NCAM is an effort led by Festival of Children Foundation to focus the attention of our nation on the most critical issues facing children today.

All exciting events taking place at the Festival in September are free to the public. For our full schedule of events, visit:

About Festival of Children Foundation

Founded by businesswoman and children's advocate, Sandy Segerstrom Daniels, Festival of Children Foundation is a 501(c)(3) non-profit organization.

We bring together and coordinate the efforts of charities, organizations and individuals who actively work to improve the lives of children. We give a voice, we give guidance, and we give support to our more than 480 member charities across the United States.

100% of our administrative costs are covered by designated funding, allowing donations to go further in direct support of programs and services that benefit children and our member charities. We believe that by working together, dreams are possible.

National Child Awareness Month

National Child Awareness Month (NCAM) began as a local effort led by Festival of Children Foundation (FOCF) and its founder Sandy Segerstrom Daniels to refocus the nation's attention on improving the lives of all children in America and shining a light on the charities that serve them. On July 26, 2023, the United States Senate passed S.Res.313 by Unanimous Consent designating September 2023 as National Child Awareness Month for the 16th consecutive year.

NCAM By The Stats

Festival of Children Foundation actively works with charities and the public to directly impact the lives of children during NCAM. Through various campaigns, we have been able to achieve so much together.

**7.2 Million social media impressions
for children's charities**

**\$451,500 NCAM grants distributed to fund
community based children's programs**

**116,249 volunteers mobilized nationwide
for NCAM service projects**
